

CURRICULUM VITAE

NAME: **Catherine L. Carlson Haggerty, Ph.D., M.P.H.**

BUSINESS ADDRESS: Department of Epidemiology
5133 Parran Hall
Graduate School of Public Health
University of Pittsburgh
130 DeSoto Street
Pittsburgh, PA 15261
Phone: (412) 624-7377
Fax: (412) 624-7397
Email: haggerty@pitt.edu
Webpage:
<http://www.publichealth.pitt.edu/home/directory/catherine-1-haggerty>

EDUCATION AND TRAINING

Undergraduate

1990-1994	University of Pittsburgh, Johnstown, PA	B.S.	Mathematics
-----------	--	------	-------------

Graduate

1996-1999	University of Pittsburgh Graduate School of Public Health Pittsburgh, PA	M.P.H	Epidemiology
-----------	---	-------	--------------

1996-2001	University of Pittsburgh Graduate School of Public Health Pittsburgh, PA	Ph.D.	Epidemiology
-----------	---	-------	--------------

Post-Graduate

2002	University of Pittsburgh Graduate School of Public Health Pittsburgh, PA	Community Health Summer Internship Placement: COTRAIC Early Head Start and Pittsburgh Family Center for Child Development	Ken Jaros, Ph.D., M.S.W
------	---	--	----------------------------

2001-2004	University of Pittsburgh Graduate School of Public Health Department of Epidemiology Pittsburgh, PA	NIH NRSA Individual Training Fellowship	Roberta Ness, M.D., M.P.H
-----------	--	--	------------------------------

APPOINTMENTS AND POSITIONS

Academic

2011-present	Associate Professor of Reproductive Epidemiology with Tenure	<i>Department of Epidemiology Graduate School of Public Health University of Pittsburgh, Pittsburgh, PA</i>
2008-present	Director Reproductive, Perinatal & Pediatric Epidemiology Area of Emphasis	<i>Department of Epidemiology Graduate School of Public Health University of Pittsburgh, Pittsburgh, PA</i>
2003-present	Affiliate Faculty	<i>Magee Women's Research Institute, Pittsburgh, PA</i>
2016-present	Faculty	<i>Center for Women's Health Research and Innovation University of Pittsburgh, Pittsburgh, PA</i>
2017-present	Affiliate Faculty	<i>Center for Microbiome & Medicine University of Pittsburgh, Pittsburgh, PA</i>
2007-2012	Co-Director, NIH T32 Predoctoral Training Program in Reproductive, Perinatal & Pediatric Epidemiology	<i>Department of Epidemiology Graduate School of Public Health University of Pittsburgh, Pittsburgh, PA</i>
2004-2011	Assistant Professor of Reproductive Epidemiology	<i>Department of Epidemiology Graduate School of Public Health University of Pittsburgh, Pittsburgh, PA</i>
2001-2004	Postdoctoral Fellow	<i>NIH NRSA Individual Training Fellowship Department of Epidemiology Graduate School of Public Health University of Pittsburgh, Pittsburgh, PA</i>

1996-2001	Graduate Student Researcher	<i>Departments of Epidemiology and Medicine University of Pittsburgh, Pittsburgh, PA</i>
	<ul style="list-style-type: none"> • <i>Health, Aging, and Body Composition (Health ABC) Study</i> • <i>Sleep Heart Health Study (SHHS)</i> • <i>Cardiovascular Health Study</i> • <i>Women's Health Initiative</i> • <i>Women's Healthy Lifestyle Project</i> • <i>Fracture Intervention Trial (FIT)</i> 	

MEMBERSHIP IN PROFESSIONAL AND SCIENTIFIC SOCIETIES

2005-present	International Society for the Study of Hypertension in Pregnancy
2005-present	The North American Society for the Study of Hypertension in Pregnancy
2004-present	Society for Pediatric and Perinatal Epidemiologic Research
2003-present	The Society for Epidemiologic Research
2003-present	Pennsylvania Public Health Association
2003-present	International Union against Sexually Transmitted Infections
2003-present	International Society for Sexually Transmitted Disease Research
2003-present	American Sexually Transmitted Diseases Association
2001-present	Delta Omega Society, Omicron Chapter

HONORS

- 2014 University of Pittsburgh Postdoctoral Association (UPPDA) Alumni Award
University of Pittsburgh, Pittsburgh, PA
In recognition for dedication to the UPPDA as a founding member of the UPPDA, an UPPDA Executive Board member and for continued support as a faculty member participating in workshops for the postdoc community.
- 2009 Selected as one of 3 “Star Junior Faculty” by the Chair and Vice Chair for Research
Department of Epidemiology
University of Pittsburgh, Pittsburgh, PA
- 2009 Nominee, Craig Award in Teaching
University of Pittsburgh, Pittsburgh, PA
- 2009 Faculty of 1000 Medicine award for senior authored paper: Short VL, Totten PA, Ness RB, Astete SG, Kelsey SF, **Haggerty CL**. *Mycoplasma genitalium* has a less severe clinical presentation than *Neisseria gonorrhoeae* among women with clinically suspected pelvic inflammatory disease. *Clinical Infectious Diseases*, 2009. Faculty of 1000 Medicine is a literature awareness service that identifies and evaluates the most important articles published in Medicine based on the recommendations of peer-nominated leading researchers and clinicians.
<http://www.f1000medicine.com/article/djkpg5twen1c6y1/id/1141902>
Paper evaluated by Lars Ostergaard.
- 2006 Pittsburgh Urban Magnet Project (PUMP)
“40 Under 40” honoree
Awarded by Pittsburgh Magazine and the Pittsburgh Urban Magnet Project (PUMP) to “talented individuals under the age of 40 who are making a positive impact on the region’s development”
- 2003 National Institutes of Health Clinical Research Loan Repayment Program Recipient
- 2003 Women’s Health Scholar Award
University of Pittsburgh
- 2002 Bridging the Gaps/ Graduate School of Public Health Community Health Summer Internship Program Annual Day of Presentations/Symposium, Oral Presentation
University of Pittsburgh
- 2002 Student Honoree, Honors Convocation
University of Pittsburgh

- 2001 Individual Postdoctoral National Research Service Award
National Institutes of Health
- 2001 Delta Omega Society Omicron Chapter,
Graduate School of Public Health
University of Pittsburgh
- 1994 B.S., Cum Laude, University of Pittsburgh
- 1988 National Honor Society
- 1980 Mensa

PROFESSIONAL ACTIVITIES

1. Teaching

a. Courses Taught

Years	Course Number: Title	Hours of Lecture, credits, Enrollment	Primary Instructor?
2014-	EPIDEM 2160: Epidemiology of Infectious Diseases	30 hours/term, 2.0 credits 37-57 students Yearly, fall semester	Yes
2006-	EPIDEM 2720: Reproductive Epidemiology	30 hours/term, 2.0 credits 10-14 students 2006 – 2008 yearly 2010+ biyearly	Yes
2009-2014	EPIDEM 2721: Research Seminar in Reproductive, Perinatal, and Pediatric Epidemiology	15 hours/term, 1.0 credits 5-12 students twice per year in fall and spring semesters	Yes
2003-2005	EPIDEM 2184: Seminar in Epidemiologic and Public Health Presentation Department of Epidemiology University of Pittsburgh	15 hours/term, 1.0 credits, 10-15 students	Yes
2003	EPIDEM 2251: Seminar in Epidemiologic and Public Health Presentation Department of Epidemiology University of Pittsburgh	12 hours/term, 1.0 credits, 7-18 students	Yes

b. Other Teaching (lectures, tutorials and continuing education courses)

Date(s)	Type of Teaching	Title
2017	Guest Lecturer	University of Pittsburgh School of Health & Rehabilitation Sciences Department of Occupational Therapy OT 2206 – Clinical Conditions 1 “Pelvic Inflammatory Disease Overview”
2008-present	Guest Lecturer	EPIDEM 2710: Women’s Health “Bacterial STDs: Why Women Experience More Morbidity” Graduate School of Public Health University of Pittsburgh
2016	Workshop lecturer, SHARE INDIA	“Data Quality and Data Cleaning”
2014 – 2016	Lead Faculty	Reproductive, Perinatal and Pediatric Epidemiology Journal Club
2014	Guest Lecturer	EPIDEM 2220: Environmental Epidemiology “Epidemiologic Aspects of Environmental Hazards to Reproduction” Department of Epidemiology University of Pittsburgh
2012	Guest Lecturer	EPIDEM 2220: Environmental Epidemiology “Epidemiologic Aspects of Environmental Hazards to Reproduction” Department of Epidemiology University of Pittsburgh
2006-2009	Guest Lecturer	PUBHLT 2009: Critical Issues in Global Health “Perspectives in Global Fertility and Infertility” Graduate School of Public Health University of Pittsburgh
2006	Lecture Contributor	Supercourse: Epidemiology, the Internet, and Global Health http://www.pitt.edu/~super1/lecture/lec26111/index.htm “Perspectives in Global Fertility and Infertility”

Date(s)	Type of Teaching	Title
2002-2004	Guest Lecturer	EPIDEM 2720: Environmental Causes of Reproductive Failure “Epidemiology of Early Reproductive Failure” Department of Epidemiology University of Pittsburgh
2002	Lecturer	“Epidemiology of Women’s Health” Healthy Women Course Chatham College, Pittsburgh, PA
2002	Lecturer	“Learning from the Community: A Description of the Graduate School of Public Health Community Summer Internship” Community Health Forum University of Pittsburgh School of Medicine The Program for Health Care to Underserved Populations Southwestern Pennsylvania Area Health Education Centers, Inc.
2002	Guest Lecturer	EPIDEM 2220: Environmental Epidemiology “Epidemiologic Aspects of Environmental Hazards to Reproduction” Department of Epidemiology University of Pittsburgh
2002	Lecturer	Pennsylvania Governor’s School for Health Care “Introduction to Epidemiology”
2002	Teaching Assistant	EPIDEM 2720: Environmental Causes of Reproductive Failure Department of Epidemiology University of Pittsburgh
2002	Teaching Assistant	EPIDEM 2900: Epidemiology of Aging Department of Epidemiology University of Pittsburgh
2001-2002	Teaching Assistant	EPIDEM 2710: Epidemiology of Women’s Health Department of Epidemiology University of Pittsburgh
2001	Lecturer	“Recruiting the Next Generation of Epidemiologists” Carrick High School Health Technology Institute
2001	Presenter	“Recruiting the Next Generation of Epidemiologists” Student Epidemiology Workshop Department of Epidemiology University of Pittsburgh

Date(s)	Type of Teaching	Title
2000	Presenter	“The Course of Chronic Pelvic Pain Following an Acute Episode of Pelvic Inflammatory Disease” Student Epidemiology Workshop Department of Epidemiology University of Pittsburgh
1999	Presenter	“The ABCs of STDs” Student Epidemiology Workshop Department of Epidemiology University of Pittsburgh
1998	Presenter	“Is Hormone Replacement Therapy (HRT) Associated with Pulmonary Function?” Student Epidemiology Workshop Department of Epidemiology University of Pittsburgh

c. Major Advisor for Graduate Student Essays, Theses, and Dissertations

Name of Student	Degree Awarded, Year	Type of Document and Title	Notes
Olivia Messina	M.P.H. candidate	Topic: Influenza and spontaneous abortion	
Stephanie Corey	M.P.H. candidate	Evaluating Preventative Care Measures for Human Papillomavirus and related Cancers in Lesbian, Gay, Bisexual, and Transgender Individuals in Allegheny County	
Hannah Callahan	M.P.H. candidate	Topic: Dance and music therapy for patients with Alzheimer’s Disease	
Fouzia Farooq	Ph.D. candidate	Topic: Diarrheal disease and childhood stunting in rural to peri-urban India, utilizing the Longitudinal Indian Family hEalth (LIFE) study cohort	

Name of Student	Degree Awarded, Year	Type of Document and Title	Notes
Kailey Hughes	M.P.H. 2017	Master's Essay: "Influence of Polypharmacy on 30-day Readmission Rates among Medicare Recipients"	Post-graduation placement: Clinical Research Coordinator, Transplant Infectious Disease Research, Department of Medicine, Division of Infectious Disease, University of Pittsburgh
Sarah Minion	Ph.D. candidate	Topic: Maternal weight gain trajectories and adverse pregnancy outcome discordance in twin pregnancies (Dissertation Chair: Bodnar)	
Tamala Gondwe	Ph.D. 2017	Dissertation: "Cesarean Section Delivery in India: An Analysis of Maternal Factors and Infant Outcomes"	2016 Recipient of Nationality Rooms Summer Abroad Scholarship, Indian Room Committee Scholarship
			Post-graduation placement: Postdoctoral Fellow, Department of Epidemiology, Virginia Commonwealth University
Ann Wiringa	Ph.D. candidate	Dissertation topic: Endometrial histopathology for the diagnosis of pelvic inflammatory disease and prediction of its resultant sequelae	2012 Univ. of Pgh GSPH Dean's Day 2012 Student Research Competition, 2 nd place, Doctoral category 2014 Univ. of Pgh, Dept. of Epi Small Grants Program Recipient

Name of Student	Degree Awarded, Year	Type of Document and Title	Notes
Kelley Jones	Ph.D. October 2015	Dissertation: "Partner Influence on Reproductive Health and Contraceptive Use Among Adolescent and Young Adult Women"	Graduation award: Induction into the University of Pittsburgh Delta Omega Omicron Chapter
Kathryn Kopania	M.P.H. April 2015	Master's Essay: "The role of diet in glycemic control in youth with Type 1 Diabetes in Rwanda"	
Lynda Jones	M.P.H. June 2015	Master's Essay: "Follow-up of 2014 Lyme disease reports to the Allegheny County Health Department for case classification"	Post Graduate Placement: Research Assistant, University of Pittsburgh Medical Center
Laura Yantz	M.P.H. Dec. 2013	Master's Essay: "The Acceptability of Offering Emergency Contraception to Domestic Violence Shelter Clients"	Post Graduate Placement: Research Assistant, Division of Adolescent Medicine, Children's Hospital of Pittsburgh of UPMC

Name of Student	Degree Awarded, Year	Type of Document and Title	Notes
Jamie Robertson	Ph.D. June 2013	Dissertation: "Studies of Reproductive Health Among Childbearing Age Women in Rural South India"	<p>2013 Univ. of Pgh, Dept. of Epi Small Grants Program Recipient</p> <p>Graduation Honor: Honorable Recognition of Completion of the Women's Health Area of Emphasis</p> <p>Post-graduate placement: Assistant Professor, Department of Anesthesiology & Perioperative Medicine, School of Medicine, Oregon Health & Science University</p> <p>Current: Assistant Director of Simulation-Based Learning Neil and Elise Wallace STRATUS Center for Medical Simulation Brigham and Women's Hospital</p>
Katherine Clark	M.P.H. Dec. 2012	Master's essay: "Effectiveness of school-based chlamydia screening: a literature review:	
Jillian Schroeder Lusk	M.P.H. Dec. 2011	Master essay: " <i>Psychological Evidence for Consideration of Elective Cesarean Sections</i> "	

Name of Student	Degree Awarded, Year	Type of Document and Title	Notes
Brandie DePaoli Taylor	Ph.D. April 2011	Dissertation: <i>“The role of delayed care seeking and Toll-like receptors in pelvic inflammatory disease and its sequelae”</i>	<p>Graduation Award: Women’s Health Scholar Award</p> <p>Post-graduate placement: NRSA T32 postdoctoral trainee in perinatal epidemiology, Michigan State University</p> <p>Post-doctoral Associate Epidemiology Dept., Graduate School of Public Health, University of Pittsburgh</p> <p>Current: Assistant Professor, Department of Epidemiology & Biostatistics School of Public Health, Texas A&M Health Science Center</p>

Name of Student	Degree Awarded, Year	Type of Document and Title	Notes
Jennifer (Meyer) Collins	M.P.H. April 2010	Master's essay: <i>“Advance Provision of Emergency Contraception Among Adolescents: A Literature Review”</i>	<p>Graduation Awards: Recipient of “Outstanding Master’s Student” Award – given to 1 student in the graduating 2009/2010 class; Delta Omega</p> <p>Post-graduation placement: CDC/Council of State and Territorial Epidemiologists Fellowship Program:</p> <p>Missouri Department of Health and Senior Services, Division of Community and Public Health, Section for Epidemiology and Public Health Practices. Maternal and Child Health area of concentration</p> <p>Current Placement: Biostat/Epidemiology Research Assistant, Cincinnati Children’s Hospital Medical Center</p>
Rebecca Wright	M.P.H. April 2010	Master's essay: <i>“The impact of social support on depression and lower extremity battery in older individuals”</i>	<p>Post-graduation placement: Research Associate, Department of Minimally Invasive Surgery - Bariatric and General Surgery, University of Pittsburgh</p>

Name of Student	Degree Awarded, Year	Type of Document and Title	Notes
Vanessa Short	Ph.D. April 2009	Dissertation: <i>“Mycoplasma genitalium: Clinical characteristics, risk factors, and adverse pregnancy outcomes”</i>	<p>Graduation Awards: Women’s Health Scholar Award, induction into the University of Pittsburgh Delta Omega Omicron Chapter, and first place in the annual Delta Omega Omicron Chapter poster contest</p> <p>Post-graduation placement: CDC/Council of State and Territorial Epidemiologists Fellowship Program:</p> <p>PA Dept of Health, Bureau of Epidemiology. Maternal and Child Health area of concentration.</p> <p>Current placement: Research Associate, Nemours Pediatrics, Thomas Jefferson University, Division of Maternal Addiction Treatment Education and Research</p> <p>Post-graduation placement: Ph.D. program, University of Pgh Dept of Epidemiology (as my advisee)</p>
Brandie DePaoli	M.P.H. 2007	Master’s essay: <i>“The association between Cesarean section and secondary infertility”</i>	<p>Post-graduation placement: Ph.D. program, University of Pgh Dept of Epidemiology (as my advisee)</p>

Name of Student	Degree Awarded, Year	Type of Document and Title	Notes
Lindsay Mendenhall	M.P.H. 2006	Master's essay: "Mosquito <i>Reproductive Behavior and Genetics: New Factors Affecting West Nile Virus Transmission?</i> "	Post-graduation placement: University of Pennsylvania School of Veterinary Medicine; VMD 2011

d. Service on Masters or Doctoral Committees

Dates Served	Name of Student	Degree Awarded	Title of Dissertation/Essay
April 2018 - present	Brianna Adamcik	M.P.H. candidate	
July 2016 – present	Marilyn Wagner	Ph.D. candidate	Topic: Prevention of invasive fungal disease in liver transplant recipients
April 2017 – June 2017	Lauren Ojeda	M.P.H. (Department of Behavioral and Community Health Sciences)	" <i>Domestic minor sex trafficking and technology</i> "
January 2017 – June 2017	Lara Siminerio Lemon	Ph.D.	" <i>Using pharmacoepidemiologic methods to study pharmacotherapy in pregnancy: application to opioid maintenance therapy and 17-OHPC for prevention of preterm birth</i> "
January 2017 – April 2017	Jessica Manriquez Richard	M.P.H. (Department of Behavioral and Community Health Sciences)	" <i>Cesarean rate reduction interventions in the United States</i> "
November 2016 – April 2017	Corrine Bozich	M.P.H. (Department of Infectious Disease and Microbiology)	" <i>A Case Control Study of Risk Factors Associated with CRE/CRO and ESBL</i> "

Dates Served	Name of Student	Degree Awarded	Title of Dissertation/Essay
January 2016 – April 2016	YuRuo Li	M.P.H.	<i>“Mathematical models of subpopulation-specific sexual interactions for HIV transmission and control”</i>
January 2016 – April 2016	Christian Suri	M.P.H. (Department of Infectious Disease and Microbiology)	<i>“Clostridium difficile infection prevention and control”</i>
September 2015 – December 2015	Anita Simonian	M.P.H. (Department of Infectious Disease and Microbiology)	<i>“Comparison of nasopharyngeal and mid-turbinate swabs in children with upper respiratory tract infection symptoms and the feasibility of using electronic diaries in clinical research”</i>
April 2014 – December 2014	Lynne Marshall	Ph.D.	<i>“Environmental Risk Factors for Autism Spectrum Disorders (ASD)”</i>
2013 – April 2014	Sarah Rapport	M.P.H. (Dept. of Behavioral Health and Community Science)	<i>“National program evaluation of Women, Infants and Children (WIC) breastfeeding initiatives”</i>
2010 – April 2014	Leslie Meyn	Ph.D.	<i>“Longitudinal Evaluation of the Impact of Antibiotic Exposure in Young Women on Vaginal and Rectal Colonizing Strains of Group B Streptococcus and Lactobacillus”</i>
2011 – 2012	Tammy Loucks	Ph.D.	<i>“Secretory markers of endocrine and ovarian aging among older women with polycystic ovarian syndrome”</i>
2009 - 2011	Simone Reynolds	Ph.D.	<i>“Is Poor Fetal Growth in Preeclampsia Mediated by Offspring Gender?”</i>
2009 - 2011	Margaret Whelan	Ph.D.	<i>“Studies of Birth Weight and Infant Mortality in India”</i>

Dates Served	Name of Student	Degree Awarded	Title of Dissertation/Essay
2009	Tanya Bobo	M.S.	<i>“Maternal nutritional status and bacterial vaginosis during pregnancy”</i>
2008	Toby Yanowitz	M.S.	<i>“Impact of Psychological Stress on Obstetric and Neonatal Outcomes among Women with Preterm Premature Rupture of the Fetal Membranes: a Pilot Study”</i>
2008	Nam Hoang Le	M.P.H. (Dept. of Behavioral Health and Community Science)	<i>“Adolescent reproductive health in Vietnam: Current status and future steps”</i>
2005-2006	Kathleen Berger	Ph.D.	<i>“Bacterial vaginosis as a sexually transmitted disease”</i>
2005	Stephanie Fedro-Byrom	M.P.H. (Dept. of Behavioral Health and Community Science)	<i>“Got Breastmilk?”: An Intervention to Increase Breastfeeding Rates among Low-income, African American Adolescents</i>
2005	Vanessa Short	M.P.H. (Dept. of Behavioral Health and Community Science)	<i>“Recommendations for Preventing Smoking Relapse in the Postpartum Period”</i>

e. Supervision of Post-Doctoral Students, Residents, and Fellows

Dates Supervised	Name of Student	Position of Student
2014 - 2015	Padma Yalamati, M.D.	Fogarty Training Grant Trainee
2014 - 2015	Kalpana Betha, M.D.	Fogarty Training Grant Trainee

Dates Supervised	Name of Student	Position of Student
2013 – 2014	Margaret Whelan, M.D., Ph.D.	Postdoctoral Associate Post-training placement: Residency, Tulane University School of Medicine, New Orleans, LA
2012 – 2013	Brandie Taylor, Ph.D.	Postdoctoral Associate Post training placement: Assistant Professor, Department of Epidemiology & Biostatistics School of Rural Public Health, Texas A&M Health Science Center
2012 - 2015	Enakshi Sharma, M.D.	Fogarty Training Grant Trainee
2009 - 2010	Teresa Erb, M.D.	Medical Resident, Magee Women's Hospital; Mentee on an oncoinfertility project
2009 - 2011	Romina Barral, M.D.	Adolescent Medicine Fellow; Mentee on a pilot project examining factors associated with Chlamydial re-infection

Dates Supervised	Name of Student	Position of Student
2008	Hua Yang, M.D.	Visiting Professor/ Postdoctoral Fellow

f. Mentoring of Graduate Students in Field Placements

Dates	Name of Student	Degree/Program Description	Field Site
June – Aug 2018	Hannah Callahan	Systematic literature review; class observation, data collection, and analysis	Pittsburgh Ballet Theatre School, “Mindful Movement” dance class/program for people with Alzheimer Disease
June – Aug 2015	Tamala Gondwe	Health needs assessment in the African immigrant and refugee community in Allegheny County/Development of health education workshops	Faculty mentor for student appointed as Schweitzer Fellow
June – Aug 2013	Mark Evans	M.D. Candidate, 2016, University of Pittsburgh School of Medicine	Longitudinal Indian Family hHealth (LIFE) Study, Andhra Pradesh, India
June – Aug 2010	Jamie (Robertson) Eastman	Developed a sexuality education program for students, pre-K through age 21	Faculty mentor for student appointed as Schweitzer Fellow, Western Pennsylvania School for Blind Children

Dates	Name of Student	Degree/Program Description	Field Site
June – July 2009	Jamie Robertson	Developed protocols for assessment of preeclampsia, spontaneous abortion, and pre-term birth for a study of pregnancy among rural Indian women.	Longitudinal Indian Family Health (LIFE)
May – July 2009	Rebecca Wright	Participated in community programs to promote healthy aging	Center for Healthy Aging, University of Pittsburgh
May – July 2009	Brandie Taylor	Analyzed characteristics of postpartum women who did not receive adequate prenatal care	Arkansas Department of Health, Center for Health Statistics, Little Rock, Arkansas
May – July 2009	Jennifer Meyer	Investigated cases and participated in provider education of H1N1 influenza; investigated complaints of illness associated with emissions from surrounding landfill	Allegheny County Health Department, Pittsburgh, PA

Dates	Name of Student	Degree/Program Description	Field Site
May - Aug 2007	Vanessa Short	U.S. Department of Health and Human Services, Maternal and Child Health Bureau, Graduate Student Internship Program; Analyzed data from the National Birth Defect Research and Prevention Study	Texas Department of State Health Services, Austin, TX
Summer 2006	Lindsay Mendenhall	Examined the effects of mosquito reproductive behavior and genetics on the transmission of West Nile Virus in the eastern United States and Tennessee	Tennessee Department of Health, Vector-Borne Disease section of the Communicable and Environmental Disease Surveillance Department

g. Other Teaching and Training

Dates	Teaching Activity	Program/Description
08/2017-10/2017	Mentoring	Mentored Fouzia Farooq, teaching assistant for EPIDEM 2160
08/2016-10/2016	Mentoring	Mentored Sarah Minion, teaching assistant for EPIDEM 2160
01/2016-04/2016	Mentoring	Mentored Tamala Gondwe, teaching assistant for EPIDEM 2720
08/2015-10/2015	Mentoring	Mentored Tenley Brownwright, teaching assistant for EPIDEM 2160
01/2014-04/2014	Mentoring	Mentored Ann Wiringa, teaching assistant for EPIDEM 2720
01/2013-04/2013	Mentoring	Mentored Brandie Taylor, Postdoctoral Teaching Assistant for EPIDEM 2721
08/2012-12/2012	Mentoring	Mentored Brandie Taylor, Postdoctoral Teaching Assistant for EPIDEM 2721

Dates	Teaching Activity	Program/Description
2012	Mentoring	Mentored Enchin Sung, GSPH summer intern from Taipei Medical University in Taiwan
2012	Mentoring	Mentored Jamie Eastman, teaching assistant for EPIDEM 2720
2010	Mentoring	Mentored Brandie Taylor, teaching assistant for EPIDEM 2720
2008	Mentoring	Mentored Simone Reynolds, teaching assistant for EPIDEM 2720 Reproductive Epidemiology
2007	Mentoring	Mentored junior high school student, Michael Stewart, on a career as an infectious disease epidemiologist.
2007	Evaluator	Evaluated and graded 1 Chronic Disease Epidemiology Ph.D. preliminary examination
2006	Evaluator	Evaluated and graded 2 Chronic Disease Epidemiology Ph.D. preliminary examinations
2006	Faculty mentor	Lindsay Mendenhall, M.P.H. summer internship. Placement: Tennessee Department of Health
2005 - 2006	GSR advisor	Stacey Hoferka
2005 - 2007	GSR advisor	Vanessa Short
2005	Mentoring	Mentored Department of Epidemiology student Suzanne Goldman MS, CRNP on the preparation of a National Research Service Award (NRSA) F32 Individual Postdoctoral Fellowship
2005	Mentoring	Mentored Department of Epidemiology student Gail Trautmann on the preparation of a National Research Service Award (NRSA) F32 Individual Postdoctoral Fellowship
2005	Evaluator	Evaluated and graded 3 Chronic Disease Epidemiology Ph.D. preliminary examinations

Dates	Teaching Activity	Program/Description
2004	Mentoring	Mentored Department of Epidemiology student Janet Catov on the preparation of a National Research Service Award (NRSA) F32 Individual Postdoctoral Fellowship
2004	Mentoring	Mentored Department of Epidemiology student Luis Rustveld on the preparation of a National Research Service Award (NRSA) F32 Individual Postdoctoral Fellowship
2000-2003	Coordinator	Student Epidemiology Workshop Department of Epidemiology University of Pittsburgh
1993	Tutoring	Business Calculus and Calculus I University of Pittsburgh, Johnston, PA Learning Skills Center Peer Tutor

2. Research and Training
a. Grants and Contracts Received

Principal Investigator

Years Inclusive	Grant and/or Contract Number and Title	Source	Annual Direct Costs	% Effort
January 2017 – December 2018	Faculty Global Health Grant “The influence of vaginal microbiota on adverse pregnancy outcomes in the Longitudinal Indian Family hEalth (LIFE) study”	Center for Global Health, Univ. of Pgh	\$24,430	N/A
May 2016 – April 2019	1R21AI114907-01 “ <i>Mycoplasma genitalium</i> , differentiated <i>Ureaplasma</i> species, and pregnancy outcomes”	NIH/NIAID	\$125,000 - \$150,000	40%
September 2014-December 2015	Principal Investigator (Co-PI Harold Wiesenfeld, M.D., Magee Women’s Hospital) “Multicenter Case-Control Study of Chlamydia trachomatis Infection and Tubal-Factor Infertility”	NIH STI Clinical Trial Group Task Order (Subcontract to University of Alabama)		15%
August 2014 - July 2016	Principal Investigator (Co-PI Clare Bunker, PhD) D43 TW009078 “SHARE India University Pittsburgh Population and Intervention Research Training”	Fogarty International Center, NIH	\$192,249	10%

Years Inclusive	Grant and/or Contract Number and Title	Source	Annual Direct Costs	% Effort
March 2011-February 2014	Principal Investigator (Co-PI Harold Wiesenfeld, M.D., Magee Women's Hospital) SIP11-048 "Health Promotion and Disease Prevention Center" U48 Cooperative Agreement U48DP001918 Multicenter Case-Control Study of <i>Chlamydia trachomatis</i> Infection and Tubal-Factor Infertility	CDC	\$53,000- \$180,000	10% year 1, 15% years 2&3
2011-2013	Principal Investigator 1 R56 AI095224-01 "The role of novel uncultivable bacteria in pelvic inflammatory disease"	NIAID	\$450,871 - \$499,811	30%
2010-2012	Principal Investigator R56 AI067661-04 "Mycoplasma genitalium and pelvic inflammatory disease"	NIAID	\$222,336	30%
2008-2014	Principal Investigator 5R01AI073940-02 "Novel Bacterial Pathogens in Pelvic Inflammatory Disease"	NIAID	\$266,315 - \$392,445	40%
2006-2012	Principal Investigator 5R01AI071386 "Infection, Inflammation, and Preeclampsia"	NIAID	\$436,012 - \$533,508	30%
2005-2009	Principal Investigator 1R01AI067661-01A2 "Mycoplasma genitalium and pelvic inflammatory disease"	NIAID	\$250,000	40%

Years Inclusive	Grant and/or Contract Number and Title	Source	Annual Direct Costs	% Effort
2007-2012	Co-Director HD055162-03 “Predoctoral Training Program in Reproductive, Perinatal & Pediatric Epidemiology”	NIH NRSA T32 (NICHD)		
2004	“Pelvic Inflammatory Disease, Atherosclerosis, and Vascular Stiffness”	Univ. of Pgh, Dept. of Epi Small Grants Program	\$8,333	
2001-2004	“Chronic Pelvic Pain after Pelvic Inflammatory Disease” 1 F32 HD41294-01	NICHD	Approx. \$37,000	100%

Co-Investigator

Years Inclusive	Grant and/or Contract Number and Title	Source	Annual Direct Costs	% Effort
2014	Co-Investigator “Application of classification and regression tree analysis/recursive partitioning for the prediction of adverse gynecologic and reproductive sequelae following pelvic inflammatory disease.” PI: Ann Wiringa, mentee	Univ. of Pgh, Dept. of Epi Small Grants Program	\$815	N/A
2013	Co-Investigator “Association between bacterial vaginosis and adverse birth outcomes in the intestinal parasitic and vaginal infections (IPVI) study” PI: Jamie Eastman, mentee	Univ. of Pgh, Dept. of Epi Small Grants Program	\$3200	N/A

2017-2022	Interdisciplinary Alcohol Research Training Program (IART) T32 AA07453-34 Role: Training Faculty		NIH		N/A
2016 - 2021	“Translational Research in Adolescent Health and Development Post-doctoral Training Program” PI: Elizabeth Miller, MD, PhD Role: Executive Committee Member and Mentor		NIH		N/A
June 2015 – May 2016	– “Early pregnancy serum short-chain fatty acids and preeclampsia” PI – Taylor Role: Mentor		SPH Research Enhancement and Development Initiative (REDI)	\$25,000	N/A
2014 - 2016	2014 American STD Association Developmental Award, “Host Genetic Susceptibility to Chlamydia-Associated Reproductive Morbidity” awarded to mentee Dr. Brandie Taylor, Texas A&M Role: Primary Mentor		ASTDA		N/A
2011-2014	Fogarty Training Faculty Advisory Group SHARE India University of Pittsburgh Population and Intervention Research Training PI: Clare Bunker, PhD				N/A

b. Grants and Contracts Pending

Years Inclusive	Grant and/or Contract Number and Title	Source	Annual Direct Costs
2018-2023	“Prospective epidemiologic study of novel etiologic agents of pelvic inflammatory disease” <i>Role: PI, 30% effort</i> <i>Multiple PI grant</i>	NIH	\$450,138 - \$499,999
2018-2022	“Immune activating syncytiotrophoblast microvesicles and danger associated molecular patterns in preeclampsia risk” <i>Role: Co-I, 15% effort</i> (PI: Taylor, Texas A&M)	NIH	
2018-2023	“Evaluating the intersection between sexually transmitted infections, inflammation and reproductive success” <i>Role: Co-I, 15% effort</i> (PI: Taylor, Texas A&M)	NIH R01	
2019-2024	“Prospective study of preconception and prenatal biomarkers of preterm birth” <i>Role: PI, 30% effort</i> <i>Multiple PI grant</i>	NIH R01	\$476,622 - \$499,830

b. Invited Lectureships and Major Seminars Related to Your Research

Date	Title of Presentation	Venue
July 2018	Introduction to Epidemiology and Global Reproductive Health	University of Pittsburgh Health Career Scholars Academy
January 2018	Introduction to the Reproductive, Perinatal & Pediatric Epidemiology Area of Emphasis	University of Pittsburgh Department of Epidemiology Seminar Series
February 2017	Introduction to the Reproductive, Perinatal & Pediatric Epidemiology Area of Emphasis	University of Pittsburgh Department of Epidemiology Seminar Series
January 2017	Mycoplasma infections and adverse pregnancy outcomes	University of Pittsburgh Department of Epidemiology Faculty Retreat
May 2016	Tales of an Epidemiologist “SHARE”ing the good LIFE in India	The Ellis School Middle School Speakers Series Pittsburgh, PA

Date	Title of Presentation	Venue
May 2016	India Health in Focus	The Ellis School Combined Biology, AP Biology and Anatomy Classes Pittsburgh, PA
April 2016	Introduction to the Reproductive, Perinatal & Pediatric Epidemiology Area of Emphasis	University of Pittsburgh Department of Epidemiology Seminar Series
April 2015	SHARE the Good LIFE in India: The Longitudinal Indian Family hHealth (LIFE) Study	University of Pittsburgh Department of Epidemiology Seminar Series
April 2015	Introduction to the Reproductive, Perinatal & Pediatric Epidemiology Area of Emphasis	University of Pittsburgh Department of Epidemiology Seminar Series
March 2013	The role of novel vaginal bacterial infections in pregnancy outcomes	University of Pittsburgh Department of Epidemiology Seminar Series
November 2012	Pittsburgh Epidemiologists go to India The Longitudinal Indian Family Health (LIFE) Study The role of vaginal infections in adverse pregnancy outcomes	University of Pittsburgh Department of Epidemiology Seminar Series
April 2012	Women's Health Area of Concentration	University of Pittsburgh Department of Epidemiology Seminar Series
May 2010	The <u>L</u> ongitudinal <u>I</u> ndian <u>F</u> amily <u>H</u> ealth (LIFE) Study: The role of vaginal infections in adverse pregnancy outcomes	Second Global Health Conference University of Pittsburgh
March 2010	Women's Health Area of Concentration	University of Pittsburgh Department of Epidemiology Seminar Series

Date	Title of Presentation	Venue
August 2009	<i>Mycoplasma genitalium</i> as a cause of pelvic inflammatory disease and its long term sequelae	Symposium presentation at the Infectious Diseases Society for Obstetrics and Gynecology, 2009 Annual Meeting, Montreal
February 2009	Why do some women experience sequelae following pelvic inflammatory disease?	University of Pittsburgh Department of Epidemiology Seminar Series
December 2008	Reproductive consequences of pelvic inflammatory disease: the role of novel bacterial pathogens	Adolescent Medicine Research Conference University of Pittsburgh
April 2008	Gynecologic and reproductive consequences of genital infection with novel, fastidious bacteria	GSPH Dean's Junior Faculty Seminar Series University of Pittsburgh
April 2008	<i>Chlamydia trachomatis</i> pathogenesis and sequelae	Centers for Disease Control & Prevention Chlamydia Immunobiology & Control Expert Advisory Meeting
April 2008	Reproductive consequences of pelvic inflammatory disease: the role of novel bacterial pathogens	University of Pittsburgh Department of Epidemiology Seminar Series
March 2008	Reproductive consequences of pelvic inflammatory disease: the role of novel bacterial pathogens	Magee Women's Research Institute, Pittsburgh, PA
July 2007	How can we reduce the sequelae of PID?	15th Annual Summer Principles of STD and HIV Research Course, University of Washington, Seattle, WA

Date	Title of Presentation	Venue
July 2007	Persistent <i>Mycoplasma genitalium</i> and endometritis among women treated for pelvic inflammatory disease	Joint meetings of the International Society for STD Research and the International Union against Sexually Transmitted Infections, Seattle, WA
June 2007	Is Preeclampsia a consequence of infection?	Tox Talks, Mill Valley, CA
2006	The role of <i>Mycoplasma genitalium</i> in Pelvic Inflammatory Disease	International Union against Sexually Transmitted Infections (IUSTI) 22nd Conference on Sexually Transmitted Infections, Versailles, France
2005	Novel Pathogens Associated With Pelvic Inflammatory Disease and Reproductive Morbidity	Magee Women's Research Institute, Pittsburgh, PA
2005	Association Between Allelic Variants in Cytokine Genes and Preeclampsia	North American Society for the Study of Hypertension in Pregnancy
2005	Session Leader, "Preeclampsia in High Risk Populations"	North American Society for the Study of Hypertension in Pregnancy
2004	Coordinator	Student SER Presentation Day Department of Epidemiology University of Pittsburgh, Pittsburgh, PA
2003	"Reproductive Morbidity Following Pelvic Inflammatory Disease: Pathogenesis and Prevention"	Children's Hospital of Pittsburgh Adolescent Medicine Clinic, Pittsburgh, PA
2002	"Chronic Pelvic Pain is Associated with Greater Healthcare Utilization: Evidence from the PID Evaluation and Clinical Health (PEACH) Study"	Center for Research on Health Care, University of Pittsburgh, Pittsburgh, PA

3. Service (Professionally Related)

a. University/Institute of Higher Learning

Years	Committee	Position
2018 – present	University of Pittsburgh Graduate School of Public Health Department of Epidemiology Strategic Plan Infrastructure Committee	Member
2018 - present	Faculty Search Committee, Assistant Professor, Tenure stream University of Pittsburgh Department of Epidemiology	Chair
2017 - present	Faculty Search Committee, Assistant/Associate Professor, Tenure stream University of Pittsburgh Department of Epidemiology	Member (Chair: Harrison)
2017	Alumni Awards Committee University of Pittsburgh Graduate School of Public Health	Committee Member

Years	Committee	Position
2017	The Ohio State University College of Public Health Columbus, OH	External evaluator, tenure and promotion
2017	Research Review Committee Western Psychiatric Institute and Clinic University of Pittsburgh Pittsburgh, PA	Grant Reviewer (1 proposal)
2017	Global Health Day Center for Global Health University of Pittsburgh	Abstract Reviewer
2017 - present	Faculty Senate University of Pittsburgh Graduate School of Public Health	President-Elect
2016 - present	Women's Reproductive Health Research (WRHR) Career Development Program Magee Women's Research Institute	Steering Committee Member
2011 - present	University of Pittsburgh Graduate School of Public Health Educational Policies and Curriculum Committee	Co-Departmental Representative
2014 - present	University of Pittsburgh Graduate School of Public Health Department of Epidemiology Curriculum Committee	Chair
2016	Department Space Committee Department of Epidemiology Graduate School of Public Health University of Pittsburgh	Member
2016	Research Review Committee Western Psychiatric Institute and Clinic University of Pittsburgh Pittsburgh, PA	Grant Reviewer
2015	Hunter College School of Urban Public Health City University of New York New York, NY	External evaluator, tenure and promotion
2015	University of Pittsburgh Pittsburgh, PA	Interviewer (1 candidate) for Tumor Microenvironment Center faculty position

Years	Committee	Position
2015	University of Pittsburgh Graduate School of Public Health Department of Epidemiology Accepted Applicants Day Departmental Meeting	Departmental Faculty Representative (Reproductive, Perinatal & Pediatric Area of Emphasis)
2015	University of Pittsburgh Graduate School of Public Health Department of Epidemiology	Interviewer (4 candidates) for Assistant Professor, Tenure Stream position
2015	Research Review Committee Western Psychiatric Institute and Clinic University of Pittsburgh Pittsburgh, PA	Grant Reviewer
2014	University of Washington Seattle, WA	External evaluator, tenure and promotion
2014	University of Pittsburgh Technology Transfer Committee	Reviewer, Invention Disclosure/Patent
2013	University of Pittsburgh Graduate School of Public Health Department of Epidemiology Accepted Applicants Day Departmental Meeting	Departmental Faculty Representative (Reproductive, Perinatal & Pediatric Area of Emphasis)
2012 - 2013	Faculty Search Committee, Assistant Professor, non-tenure stream University of Pittsburgh Department of Epidemiology	Chair
2012	Faculty Search Committee, Assistant Professor, tenure stream University of Pittsburgh Department of Epidemiology	Member
2012	Department of Epidemiology Research Review Committee	Grant Reviewer (1 proposal)

Years	Committee	Position
2012	University of Pittsburgh Office of Academic & Career Development University of Pittsburgh Postdoctoral Association (UPPDA) Postdoctoral Data & Dine Symposium	Dinner Table Host (Representing as a founding member of UPPDA)
2012	University of Pittsburgh Graduate School of Public Health Department of Epidemiology Accepted Applicants Day Departmental Meeting	Departmental Faculty Representative
2012	University of Pittsburgh Graduate School of Public Health Accepted Applicants Day Alumni Panel	Panelist
2012 - 2013	University of Pittsburgh Graduate School of Public Health Department of Epidemiology Strategic Planning Steering Committee	Member
2012	University of Pittsburgh Graduate School of Public Health Department of Epidemiology Faculty Retreat	Leader, Junior Faculty Development Breakout Session
2011 – 2012	University of Pittsburgh Graduate School of Public Health Department of Epidemiology Curriculum Committee Elective Course Subcommittee	Member
2008- 2014	University of Pittsburgh Graduate School of Public Health Department of Epidemiology Curriculum Committee	Member
2008	“Academic Career Success: Avoiding Perils and Pitfalls” as part of the 2008 Course in Scientific Management and Leadership	Panelist
2008	University of Pittsburgh Graduate School of Public Health Department of Epidemiology Curriculum Committee Area of Concentration Subcommittee	Member

Years	Committee	Position
2007	University of Pittsburgh Graduate School of Public Health Department of Epidemiology Reproductive Epidemiology Preliminary Examination	Faculty in charge of exam development
2007	University of Pittsburgh Graduate School of Public Health Department of Epidemiology Reproductive Epidemiology Preliminary Examinations	Reviewer (1 exam)
2006	University of Pittsburgh Graduate School of Public Health Department of Epidemiology Chronic Epidemiology Preliminary Examinations	Reviewer (2 exams)
2006-2009	University of Pittsburgh Graduate School of Public Health Educational Policies and Curriculum Committee	Member: Elected Departmental Representative
2005	University of Pittsburgh Graduate School of Public Health Department of Epidemiology Chronic Epidemiology Preliminary Examinations	Reviewer (3 exams)
2004-2007	Magee-RAND Women's Health Initiative Obstetric Care Work Group	Co-chair (appointed)
2004-2007	Magee-RAND Women's Health Initiative	Member
2004	Delta Omega Omicron Chapter Committee to select APHA conference representative and Dean's Day poster winner	Reviewer
2003	Epidemiology & Microbiology Section Young Women in Science University of Pittsburgh	Co-chair (appointed)
2003	Executive Committee Young Women in Science University of Pittsburgh	Member
1999-2004	Community Health Speakers Bureau University of Pittsburgh Department of Epidemiology	Member

Years	Committee	Position
2002-2004	University of Pittsburgh Postdoctoral Association	Member
2003	Health Science Faculty Professional Development Series “Navigating in Academic Waters: Keeping on Course through Goal Setting” University of Pittsburgh Office of Academic & Career Development	Panelist
2003	SCIENCE 2003 Career Development Workshop for Emerging Scientists University of Pittsburgh	Host
2003-2004	Doctoral Student Organization Buddy Program University of Pittsburgh Graduate School of Public Health	Mentor
2003	University of Pittsburgh Postdoctoral Association Survey and Newsletter Committee	Chair (appointed)
2003	Applicant Phonothon University of Pittsburgh Graduate School of Public Health	Volunteer Caller
2003	“Getting to the Payline: Writing Successful Fellowship Applications” University of Pittsburgh Office of Academic and Career Development Workshop	Panelist
2002	Career Development/Grant Writing Workshop Planning Committee University of Pittsburgh Office of Academic and Career Development	Member
2002	Howard Hughes Medical Institute Precollege Initiative for Biomedical Research Institutions <i>ESTEEM Program Proposal (Empowering Scientists Through Enrichment & Educational Mentoring)</i> Grant Working Group University of Pittsburgh	Member
2002	University of Pittsburgh Postdoctoral Association Executive Committee	Vice Chair of Education (elected)
2002	University of Pittsburgh Postdoctoral Association Steering Committee	Founding Member

b. Editorial Boards, Editorships

Date	Position	Organization
2013 - 2014	Co-Guest Editor	Special Issue: "The adverse effect of inflammation" in Mediators of Inflammation
2012	Lead Guest Editor	Special Issue on Bacterial Vaginosis, Infectious Diseases in Obstetrics and Gynecology
2010 - 2012	Editorial Board Member	International Scholarly Research Network (ISRN) Obstetrics and Gynecology

d. Study Sections, Review Panels, and Related Advisory Boards

Date	Position	Organization and Nature of Activity
2018 - present	Member	NIH Fellowships: Risk, Prevention and Health Behavior ZRG1 F16-L (20) L
September 2017	Mail Reviewer	NIH Health Services Organization and Delivery Study Section 2018/01 HSOD
March 2017	Reviewer (Teleconference)	NIH Fellowships: Risk, Prevention and Health Behavior 2017/05 ZRG1 F16-M (09) F
February 2017	Mail Reviewer	NIH Health Services Organization and Delivery Study Section 2017/05 HSOD
November 2016	Reviewer (Teleconference)	NIH Special Emphasis Panel Health Care Delivery and Methodologies Research Projects Grants ZRG1 HDM-J (02) M
June 2016	Opinion Research Study Participant	Scientific Advisory Board Opinion research study on the Zika virus and the 2016 Rio Olympics Results published in Forbes article: "Scientists Say the Rio Olympics Should be Postponed Due to Zika" http://www.forbes.com/sites/arthurcaplan/2016/06/10/scientists-say-the-rio-olympics-should-be-postponed-due-to-zika/#4125035e4b45
April 2016	Invited Programmatic Consultant	University of Alabama at Birmingham, Sexually Transmitted Infections Clinical Trials Group (STI CTG), a funded collaboration from NIAID/DMID <i>Mycoplasma genitalium</i> (MG) Technical Consultation
November 2015	Reviewer	NIH-funded Sexually Transmitted Infection Cooperative Research Center (STI CRC), University of Maryland Baltimore Eco-Pathogenomics of Sexually Transmitted Infections Cooperative Research Center (EPSTI CRC) pilot Developmental Project (DRP) Grant
October 2015	Reviewer	Deutsche Forschungsgemeinschaft (German Research Foundation)
March 2015	Reviewer	Deutsche Forschungsgemeinschaft (German Research Foundation)

Date	Position	Organization and Nature of Activity
November 2013	Reviewer	National Institutes of Health National Institute of Allergy and Infectious Disease NIH Support for Conferences and Scientific Meetings (R13)
October 2013	Ad Hoc Member	National Institutes of Health Infectious, Reproductive, Asthma/Allergy, and Pulmonary (IRAP) Conditions Study Section
September 2013	Grant Reviewer	National Institute for Health Research, England
June 2013	Study Section Member	National Institutes of Health National Institute of Nursing Research RFA-NR-13-002 “The Influence of the Microbiome on Preterm Labor and Delivery”
2012	Grant Reviewer	National Institute for Health Research, England
2010	Grant Reviewer	National Institute for Health Research, England
2009	Grant Reviewer	Basic to Clinical Collaborative Research Pilot Program (BaCCoR) University of Pittsburgh Clinical and Translational Science Institute
2009	Grant Reviewer	National Institutes of Health Challenge Grants in Health and Science Research part of the American Recovery and Reinvestment Act of 2009
2009	Ad Hoc Member	National Institutes of Health Infectious, Reproductive, Asthma/Allergy, and Pulmonary (IRAP) Conditions Study Section
2008	Grant Reviewer	University College London Hospitals Charities, Royal Free and University College Medical School, and University College London Clinical Research and Development Committee
2008	Grant Reviewer	Wellcome Trust
2008	Member	Chlamydia Immunology and Control Expert Advisory Meeting Centers for Disease Control & Prevention

e. Leadership in Professional Organizations and Honorary Societies

Date	Position	Organization
2018	Annual Meeting Abstract Reviewer	Society for Pediatric and Perinatal Epidemiologic Research

Date	Position	Organization
2017	Annual Meeting Abstract Reviewer	Society for Pediatric and Perinatal Epidemiologic Research
2015	Annual Meeting Abstract Reviewer	Society for Pediatric and Perinatal Epidemiologic Research
2012	Annual Meeting Abstract Reviewer	Society for Pediatric and Perinatal Epidemiologic Research
2010	Annual Meeting Abstract Reviewer	Society for Pediatric and Perinatal Epidemiologic Research
2009	Annual Meeting Abstract Reviewer	Society for Pediatric and Perinatal Epidemiologic Research
2008	Annual Meeting Abstract Reviewer	Society for Pediatric and Perinatal Epidemiologic Research
2007	Annual Meeting Abstract Reviewer	Society for Pediatric and Perinatal Epidemiologic Research
2005	Session Leader at the Annual Meeting: “Preeclampsia in High Risk Populations”	The North American Society for the Study of Hypertension in Pregnancy

f. Service to Governmental and Other Public Organizations

Date	Position	Type of Service and/or Agency
2002	Volunteer	Americorps, Pittsburgh Public Health Corps

g. Consultantships

Date	Name of Consultantship
2016	Consultant/provided expert opinion for article published by Vice Magazine, “ <i>Inside the Unregulated Chinese Hospitals That Make Men Impotent</i> ”, published online May 2, 2016; http://www.vice.com/read/chinas-21st-century-eunuchs-v23-n3?utm_source=homepage
2015 – present	Epidemiologic consultation and analysis of Butler County maternal health data. A. Thomas McGill, MD, Butler Health System
2015	Provided consultation for Deb Brooks Nelson on curriculum development for a new Epidemiology PhD program at Temple University

Date	Name of Consultantship
2013	Watten, Discoe, Bassett & McMains Law Firm (expert witness, pelvic inflammatory disease case)
2009 - 2010	Scientific Advisor for Genpath Women's Health Laboratory, Bioreference Laboratories
2008	Provided consultation on the measurement of chronic pelvic pain for Jeffrey D. Klausner, MD, MPH, Deputy Health Officer & Director, STD Prevention and Control Services, San Francisco Department of Public Health
2008	Provided consultation on azithromycin as a treatment regimen for pelvic inflammatory disease for Rudiger Pittrof, MSc, MRCOG, MFFP, DipGUM, DTM&H, FHEA, a consultant in Integrated Sexual Health and HIV at Enfield PCT in London
2006	Map of Medicine http://www.mapofmedicine.co.uk/mom/national_stage/index.html Reviewed the validity of a clinical algorithm for Pelvic Inflammatory disease diagnosis and management.
2005	Provided consultation on the treatment of pelvic inflammatory disease for Steven Skov, a public health physician working in the Sexual Health and Blood Borne Viruses Unit in Darwin, Northern Territory Australia

4. Service (Community Related)

a. Service to Community-Based Organizations

Year(s)	Position and Organization	Type of Service
2016 – present	Pittsburgh Ballet Theatre Education and Community Engagement Committee Pittsburgh, PA	Committee engages in activities to enhance PBT education programming, provide Community Youth Scholarships, build community partnerships, and enhance diversity and inclusion; Participating in an evaluation of Creative Movement Program for Alzheimer's Disease

Year(s)	Position and Organization	Type of Service
2003	Guest Lecturer Jewish Community Center Pittsburgh, PA Lecture Title: "Happy Healthy Holidays! A Festive Nutrition Guide"	Educated senior members of the JCC on nutrition during the holiday season
2003	Guest Lecturer Jewish Community Center Pittsburgh, PA Lecture Title: "Good Nutrition: You Can Bank on It"	Educated senior members of the Jewish Community Center on nutrition and exercise
2002	Intern COTRAIC Early Head Start and Family Center for Child Development through the Graduate School of Public Health Community Health Summer Internship	Conducted home visits and administered nutrition and oral health surveys of new single mothers participating in the programs. Created a nutrition and oral health brochure and workshop to address the educational needs identified through the visits and surveys.
2001	Guest Lecturer Catholic Charities Roselia Center Pittsburgh, PA The Roselia Center offers housing and care for young women during an unexpected pregnancy. Lecture Title: "The ABCs of STDs"	Lectured pregnant teenagers on the identification, treatment, consequences, and prevention of sexually transmitted diseases
	Guest Lecturer Upward Bound Program Pittsburgh, PA Upward Bound is a summer program for underprivileged adolescents directed toward college preparation and interpersonal development. Lecture Title: "The ABCs of STDs"	Lectured adolescents on the identification, treatment, consequences, and prevention of sexually transmitted diseases

b. Service to Government Agencies

Year(s)	Position and Organization	Type of Service
----------------	----------------------------------	------------------------

2008	Advisor, Chlamydia Immunology and Control Expert Advisory Meeting, Centers for Disease Control & Prevention	Identified & prioritized key questions related to chlamydia natural history, pathogenesis, & immunobiology; assessed current research; delineated & determined research needs
-------------	---	---

c. Other Related Service and Volunteer Activities

Year(s)	Position and Organization	Type of Service
2016	Host Committee Member Ellis Centennial Gala: More Power to Her The Ellis School	
2015 - 2017	Treasurer The Ellis School Ellis Parents' Association (EPA) Executive Board	Responsible for management of the EPA budget
