

DEPARTMENT OF EPIDEMIOLOGY 2019 FALL SEMINAR

Thursday, August 29

12:00 — 1:00 pm , G23 Public Health Auditorium

Endoscope-Related Infections: Should the Experts in Public Health Be Concerned?

Mohamed H. Yassin, MD, PhD

Associate Professor of Medicine, University of Pittsburgh

Director of Infectious Diseases Division

Medical Director of Infection Control and Hospital Epidemiologist

Chair, Quality Committee, UPMC Mercy Hospital

Dr. Yassin is the Medical Director of Infection Control at UPMC Mercy Hospital since 2011, and an Associate Professor in the School of Medicine. He is a board-certified Infectious Disease and Internal Medicine physician, focusing on hospital epidemiology, cost effective analysis, MRSA surveillance, and more. Dr. Yassin is a strong advocate of joining efforts between public health, academia, and health care infection prevention.
