

**DEPARTMENT OF EPIDEMIOLOGY 2019 FALL SEMINAR**

**Thursday, September 12**

**12:00 — 1:00 pm , G23 Public Health Auditorium**

**The Unpredictable Evolution of an  
Epidemiologist and the Value of a Good  
Epidemiological Tool Box**

**2019 Distinguished Alumni Awardee for Research**

**Kevin E. Kip, PhD, FAAAS, FAHA**

Distinguished Health Professor

College of Public Health, Department of Epidemiology and Biostatistics  
University of South Florida

Dr. Kip is a tenured Distinguished Health Professor and epidemiologist with 21 years of research experience on federally-funded and industry-sponsored studies in a wide range of health disciplines. In 2018, Dr. Kip was elected as a Fellow of the American Association for the Advancement of Science (AAAS.) This was granted, in part, based on Dr. Kip's innovative contributions to the study of Accelerated Resolution Therapy (ART) for PTSD, for which he is the leading researcher worldwide.

**Reception—11:00 - 11:55 AM, Pitt Public Health Commons**

***Light refreshments will be served***
