Internal Review Board (IRB) Module Training	You will receive an e-mail from the Epidemiology Student Services staff during the first month in which you are enrolled, with specific instructions about which modules must be completed and how they may be accessed. Print (or scan & e-mail) the completion certificate generated when each required module has been reviewed, and submit it to the Student Services staff in A536 Crabtree for retention in your departmental file. NOTE: IRB module training should be completed by the end of the first term following your matriculation.	0
Pitt Public Health Academic Integrity Module Training	Print the certificate at the conclusion of the module certifying that you completed it, and submit it to the Epidemiology Student Services Office, A536 Crabtree, for retention. Refer to the Pitt Public Health Web site for more information about this school-wide graduation requirement.	0
Elective(s) XXX	In consultation with advisor	0 – 6
