BCHS 2509	Social and Behavioral Science and Public Health (also offered Spring and Summer terms)*	3
EPIDEM 2110	Principles of Epidemiology	3
EPIDEM 2250	Seminar in Epidemiology (highly encouraged to attend each term, must register for credit at least once prior to graduation)	0-1
PUBHLT 2015	Public Health Biology (exemptions often granted for undergraduate biology majors, see exemption form for details)	2
PUBHLT 2022	Dean's Public Health Grand Rounds (must register for 2 terms)	0
Elective(s)	In consultation with advisor (suggested course below in italics)	2-3
<i>EPIDEM 2185</i>	<i>Introduction to SAS</i>	2
Internal Review Board (IRB) Module Training	You will receive an e-mail from Epidemiology Student Services during the first month in which you are enrolled, with specific instructions. Print (or scan & e-mail) the completion certificate that is generated from the modules, and submit to Student Services in A536 Crabtree for retention. NOTE: This module must be completed by the end your first term.	0
Pitt Public Health Academic Integrity Module Training	Print the certificate at the conclusion of the module certifying that you completed it, and submit it to the Epidemiology Student Services Office, A536 Crabtree, for retention. Refer to the Pitt Public Health Web site for more information about this school-wide graduation requirement. NOTE: The deadline for completing the module is indicated on the Web site above.	0

Spring Term, Year 1 (15 credits)

BIOST 2042	Introduction to Statistical Methods 2	3
EOH 2013	Environmental Health & Disease	3
EPIDEM 2180	Epidemiologic Methods 1	3
HPM 2001	Health Policy and Management in Public Health (can enroll in 2nd year Fall to accommodate an elective course this term)*	3
EPIDEM 2250	Seminar in Epidemiology (highly encouraged to attend each term, must register for credit at least once prior to graduation)	0-1
PUBHLT 2022	Dean's Public Health Grand Rounds (must register for 2 terms)	0
Elective(s) XXXX	In consultation with advisor	2-3

Summer Term, Year 1

Course #	Course Title	Credits
EPIDEM 2214	Public Health Internship**	1-2

Fall Term, Year 2 (15 credits)		
Course #	Course Title	Credits
EPIDEM 2160	Epidemiology of Infectious Diseases	2
EPIDEM 2170	Chronic Disease Epidemiology	2
EPIDEM 2181	Design and Conduct of Clinical Trials	2
PUBHLT 2016	Capstone Course: Problem Solving in Public Health	2
EPIDEM 2214	Public Health Internship ((register if summer credits deferred)	1-2
EPIDEM 2210	Essay (based on approved topic in consultation with advisor)	1-2
EPIDEM 2250	Seminar in Epidemiology (highly encouraged to attend each term, must register at least once prior to graduation)	0-1
Elective(s) XXXX	In consultation with advisor	2-5
Presentation Training	Competency in Communication Completion of the Public Health Internship requires development of an abstract and poster presentation which is presented in the fall term. This activity satisfies the Competency in Communication requirement. The required Communications Competency Requirement Form should be completed by the student and submitted to Student Services after requirement is fulfilled.	0

*Important: Only one School Core requirement is allowed concurrently with PUBHLT 2016 Capstone (e.g., HPM 2001, EOH 2013 or BCHS 2509) in the last term of program.

** Summer Internship credits can be deferred to Fall term to ease financial burden of full-time students.
